

Xiaomi Portable Electric Air Compressor 1S

ID: 35115

SKU: BHR5277GL

5 inflation modes

Compact

Prevents over-inflation

Powerful

Internal lithium batteries

Type-C port

Fast inflation, optimum performance

- Increased speed and air volume, to get you back on the road faster
- High-precision cylinder block supports pressures up to 150 psi

Upgraded chips for expert performance

- Digitally controlled air-pressure sensors improve inflation accuracy
- Preset tire pressures, for greater ease and peace of mind

Multiple uses in different scenarios

- Five different inflation modes, each with preset air pressure values
- Say goodbye to wires, thanks to internal lithium batteries

Easy-to-carry, attractive design

- The compact design makes it ideal for when you're travelling light
- Type-C universal interface, for peace of mind on the go

Specifications

Product model: MJCQB05QJ

Storage temperature: -10°C to 45°C

Dimensions: 124 x 71 x 45.3mm

Charging port: Type-C

Inflation pressure range:
0.2~10.3 bar/ 3~150 psi

Battery capacity: 14.8 Wh

Sensor accuracy: 1psi

Noise value: <80dB at 1m distance

Charging time: <3 hrs

Input parameters: 5V 2A

Contents: Xiaomi Portable Electric Air Compressor 1S x 1, Presta Valve Adapter x 1, Needle Valve Adapter x 1, Storage Pouch x 1, User Manual x 1, Charging Cable x 1
